

ACT Against Violence Workshop

Are you an experienced adult trainer with the organizational support to implement a program?
Do you work for or consult with agencies and organizations that provide educational, social, and/or mental health services to families and children?

Come to the ACT 6th National Workshop and learn how to implement and evaluate a program that mobilizes adults & communities and teaches them:

Child development; roots & consequences of violence in children's lives; and prevention skills

Date: March 30th- April 1st

Location: APA Headquarters, Washington DC at Cherry Blossom Peak!

Registration fee: \$185, includes training materials and lunches. Scholarships are available.

CE Credits: Workshop is approved by APA to offer 24 hours of CE for psychologists

Deadline for application: Feb 20th

ACT, a research-based program for professionals who want to help families and communities protect children from violence!

For more information and to request an application form, contact Julia Silva, Director, ACT Against Violence Training Program, at (202) 336-5817; or by email at jsilva@apa.org. Visit our ACT website at www.actagainstviolence.org
